MANDATORY DISCLOSURE
RESEARCH USE ONLY
NOT FOR HUMAN OR VETERINARY USE

RESEARCH USE ONLY · RUO · VERIFIED LOT · 21 CFR 312.3

This product is sold as a research chemical for in vitro laboratory investigation only. It is not a drug, food, cosmetic, or dietary supplement, and has not been evaluated or approved by the U.S. Food and Drug Administration. All compounds are tested by reverse-phase HPLC for purity and identity verification. Results presented apply only to the lot number stated above. The buyer assumes all responsibility for proper use, handling, and disposal in accordance with 21 CFR 312.3 and applicable state and federal regulations.
